◀ Weather Considerations

The Plaza is an outdoor space and use is weather dependent. When reserved with the Ballroom, your event will always have indoor space available for guests as needed.

The Plaza fee reserves exclusive access and includes all setup and operational preparation. If the space is not set or used and no related labor or equipment costs are incurred, a refund or credit may be issued at the venue's discretion. Once the Plaza has been set or staffed, outdoor-related fees are non-refundable, regardless of weather or guest use.
